GENERAL SECTT. BRANCH
12 MAR 1936

SIR,

Payment of Kandayam in kind by the tenants of the Sringeri Jahgir.

I have the honor to forward herewith for information a copy of letter No.2523/35-36 dated 2nd March 1936 together with a copy of its enclosure received from the Deputy Commissioner, Kadur District, stating that in the circumstances explained by the Officer-in-charge the practice hitherto in vogue in the Jahgir of receiving the kandayam due by the ryots in the shape of paddy and areca nuts may continue until things settle down and that necessary changes be introduced gradually without disturbing the existing system. As refusal to receive the dues in kind would occasion loss to the institution, I have approved of the Deputy Commissioner's suggestion, as a tentative measure.

I have the honor to be,
Sir,
Your most obedient servant,

for Muzrai Commissioner.

D.O. No.535/S.-36 dated - - 6 from the Deputy Commissioner, Kadur District, to the Nuzvid Commissioner, Mysore.

In enclosing a copy of D.O. letter dated the 27th February 1936 from Mr. M. Srikantaiya, I write to state that the practice involved in the Jah of receiving kandayam in kind is allowed to continue under the circumstances explained in the letter under advertence until being settled for. The necessary enactment will have to be introduced gradually without any undue disturbance of the old existing system.

D.O.Letter Nox dated 27-3-36 from the Officer-in-charge of Sringeri Jahag to the Deputy Commissioner, Kadur District.

I write to state that it has been the practice here for some of the Jahag ryots to give paddy and areca on account of kandayam due. Paddy so received is reserved for daily consumption and its price according to market rate is adjusted towards kandayam due in the accounts. Areca is sold in public auction and the amount realised is similarly adjusted. The practice hitherto in vogue is being followed and it is feared that if paddy and areca tenders is not accepted the same may be utilised by the ryots for private use and the matter may loose the chance of realising money later on. There are some more items of procedure which are opposed to Codal Rules but immediately it is not possible to introduce this being the middle of the year.

A quantity of about 600 maunds of areca was sold. I had canvassed to get bidders and it was possible to realise Rs 5-1-0 per maund against the prevailing rate Rs 4-12-0 to Rs 4-14-0 locally. The areca being a mixture of all sort was not of good quality.

With the amount thus realised and the revenue collections that will made during this month I expect to pay off all inevitable items of expenditure including pay of establishment before 2nd or 3rd of next month.

His Holiness showed every sign of improvement for the past three days. But to-day there was some relapse between 3 a.m. and 4 p.m. The doctor is attending every day.

The Property Register is completed and a detailed note regarding Jahag Indian properties will be submitted very shortly.
